

# College and Career Awareness

**Teacher:** Mrs. Hall

**Email:** [rebecca.hall@jordandistrict.org](mailto:rebecca.hall@jordandistrict.org)

**Class:** Room #212

## COURSE DESCRIPTION

This course is designed to increase awareness of college and career pathways through simulations and project-based experiences. This course explores high school, college, and career options based on individual student interests, abilities, and skills.

Students will investigate high-skill and/or in-demand jobs in the Utah labor market while developing workplace skills. This term will focus on careers related to Agriculture & Food & Natural Resources, Arts, Education Training, Health Science and Hospitality & Tourism.

## ASSIGNMENTS

Information about assignments can be found on Canvas. Students should be familiar with Canvas and visit it regularly. All late work must be submitted a week before the term ends.

### Grade Break Down:

Assignments: 20%

Assessments: 80%

## CLASS EXPECTATIONS

- Be in the classroom when the bell rings & promptly start on the bell ringer
- Come to class prepared and ready to participate
- Respect yourself, teacher, materials and classmates. Misusing classroom supplies or materials is not accepted behavior
- No phones or electronic devices out including earbuds/headphones unless given permission

## SUPPLIES

- Charged Chromebook
- Pen or Pencil

## CCA LABS

To deepen students' understanding of each career, students will participate in a variety of labs. Students are expected to show appropriate behavior during labs for their own personal safety and for others. Students are expected to follow lab procedures. Failure to do so results in losing lab privileges.

*Students will be responsible to replace broken items due to misconduct.*

## Parent/Guardian Survey

Please take the following short survey. Scan the QR Code or go to the following link.
