

## **Earth Science Disclosure Addendum**

We may watch the following movies that require parent permission:

**October Sky** (problem solving and intro to space exploration)

**Apollo 13** (small segment to show problem solving)

**Monty Python and the Holy Grail** (small segment demonstrating the scientific method)

**The Lorax** (environmental concerns)

**PBS episodes** related to current content unit

Jordan School District requires permission for students to watch movies that are rated PG. If you choose to not have your student watch the movie, please contact Mr. Grable or Ms. Bowden and your student will be provided an alternate assignment to replace the one they were not able to participate in.
