Halloween 2025 (10/31/25) Checkout Form

Purpose

Because it will be difficult and slow to locate students during our Halloween activity on October 31st from 1:55 pm - 3:00 pm, we are offering a method of speeding up the checkout process for any students who do not wish to attend the party. Students with the form will be able to simply drop off the signed form in the attendance office after 7th period and walk out to their parents without the parent coming into the school.

Timeframe

7th period will end at 1:55 pm on Friday, October 31st. **This form is only valid if the student brings the form to the attendance office between 1:55 pm and 2:00 pm on Halloween.** Forms will not be accepted as a valid checkout before or after that timeframe.

Acceptance of Safety Risks and Liability

In completing this form, the parent acknowledges that by allowing the child to leave campus early without being excused through our normal parent identity verification and checkout process, the student will be allowed to simply walk out of the building and leave campus. The school is not responsible for the student after they leave, and the student cannot be on campus once they turn in the form. If the student needs to return to school after being checked out, the student must be checked in at the attendance office.
