Classroom: Portable 5

COURSE DESCRIPTION

- **Type:** This is a ‘face-to-face’ course using CANVAS.
- **Duration:** One-semester
- **Population:** Designed for students with no prior musical background.
- **Purpose:** Students explore the art of music, and how music “connects” to their world.
- **Content:** Music’s nature and elements, notational literacy, western music history and composers, listening analysis, composition, and exploration of world music.

Students may receive in-person remediation in morning sessions. Virtual online help is reserved for afternoons by appointment.

LATE WORK due to ABSENCE
Days allowed to submit late work are equal to the days of a student’s excused absences.

REQUIRED MATERIALS

**Daily:** A pencil, note-taking paper, and any materials pertinent to Units being studied.
**Ongoing:** Students need home Internet access. If not available, school computer labs are available.

80% - Assessment (i.e. quizzes, tests)
20% - Practice (i.e. class activities, some assignments)

PROFICIENCY GRADING GENERAL RUBRIC

4 - **Advanced** (Target extended and/or application of target in a different context.)
3 - **Proficient** (Target met.)
2 - **Developing** (Developing prerequisite target skills.)
1 - **Beginning** (Target concepts/skills initiated.)
0 - No Evidence (Target acquisition not initiated or submitted.)

GRADING & PROFICIENCY SCALES
Grades based on the degree to which students meet the standards and objectives described in proficiency scales.

CITIZENSHIP GRADING

COVID-19: Our class strictly adheres to all school-mandated safety protocols, including: wearing well-fitting masks that securely cover both nose and mouth, hand sanitation upon entering the room, frequent disinfection of contact surfaces and classroom tools, and Social Distancing. Every student has their own plexiglass partition, to mitigate air-born virus transmission, while still allowing full range of vision.
