

Class purpose

We will be using Open Up Resources curriculum. We focus on the big rocks in the math core. Our goal is to increase engagement, deep learning and mathematical thinking through:

- Activity
- Questioning
- Problem solving

Parents can go to im.openupresources.org

Need Help?

- Come **Fridays** 10:20-12:15
- Come to my **PROWL** class.

Mrs. Pritchett's Resource Math 7

Supply list

Every Day, You Need:

- Chromebook
- Pencils
- Good Attitude

grading

I will be grading on a 4 point scale. Assessments will make up 80% of the grade and 20% will be quizzes and practice.

Absences: students are Expected to make up missed class work as homework. They are Responsible for getting this work.

Homework

There will be up to 4 homework problems each evening. From these homework problems there will be a weekly quiz.
