Class Purpose
We will be using X to whY math curriculum. Our goal is to increase engagement, deep learning and mathematical thinking through:
• Activity
• Questioning
• Problem solving

Mrs. Pritchett’s Resource Math 8/9

Supply list 📝
Every Day, You Need:
• Chromebook
• Pencils
• Good Attitude

Don’t forget your Mask!

Grading
I will be grading on a 4 point scale. Assessments will make up 80% of the grade and 20% will be quizzes and practice.

Absences: Students are expected to make up missed class work as homework. They are Responsible for getting this work.

Homework
There will be up to 4 homework problems each evening. From these homework problems there will be a weekly quiz.
