

Reading 7 & 8 Disclosure 2022 -2023

Ms. Burt

CLASS INFORMATION:

The purpose of Reading 7 & 8 is to improve reading comprehension skills including fluency. Students will increase their reading proficiency to *at or near* grade level, based on results from the Growth Measure Reading Assessment given at the beginning of the term. **The HMH Growth Measure Reading is a research-based and adaptive benchmark assessment measuring student performance on grade-appropriate reading comprehension and language standards.**

We will be reading novels together as a class. The purpose of the class novel is to help students develop the joy of reading. The novels we read are selected from the approved literature list posted on the district web site for the each grade level, and may include one or more of the following:

Tesla's Attic

Prince Caspian

A Night to Remember

Outsiders

A Long Walk to Water

The Lion the Witch and the Wardrobe

Deathwatch

Unbroken

80% Assessments: Include weekly spelling/ vocabulary quizzes. Students will have opportunities to re-take spelling/ vocabulary quizzes upon request. Assessments will also include reading comprehension skills based on Standards Based Scope and Sequence for reading and current Lexile Measures and reading levels for students' Growth Measure Reading Assessment results taken at the beginning of the semester.

20% Assignments: Assignments include reading comprehension skills practice and reading fluency practice. Students will be given opportunities to re do or make up any missed assignments, and assignments will be adjusted as needed per individual student needs
