**Tardy Policy:**

Please arrive on time. Class time is precious. When you are late, it distracts the class, you miss important information, and it affects your citizenship.

**Citizenship:**

Honors (H), Satisfactory (S), Needs Improvement (N), Unsatisfactory (U)

The following will get you a citizenship mark: being unprepared, using technology without permission, arriving tardy, behaving inappropriately.

**Classroom Rules:**

Human Kind: Be Both. Classroom rules will focus on choice, respect, and responsibility. Please act in such a way that you do not make anyone else's day more difficult.

**Consequences:**

The following things may occur when a student chooses not to follow classroom rules:

Verbal warning, Conference with Student, Seat changes, Parent contact, Referral to administration

**Cell Phones:**

During class time, cell phones should not be out. A student is expected to keep their cell phones in their backpacks at all times. Any cell phones out during class time will be collected and confiscated until the end of class. Any further infractions will result in the cell phone being taken to the front office.
