PHOTOS

We take a lot of pictures in this class! Make sure you turn in the media form!

Sign up for the class text alerts for updates on assignments, field trips and other important dates. **Download the Remind App** to be able to talk to Miss Williams for help.

responsibility and preparation

Instruct, support and assist students with disabilities in various settings and activities.

Advocate for and be an example to students with disabilities in all settings.

Model appropriate behavior, language and social skills for students with disabilities.

Class Materials

No materials are needed for this class. Attached is a list of items that we are in need of in our classroom. However, it is not required.

Evaluations

Assignments

Confidentiality Policy

Students in my class are protected under a law that requires confidentiality. Anything that happens in my classroom needs to remain confidential. Especially names. Don't share anything that you wouldn't want someone else sharing about you.

Assignments

There will be several assignments per quarter. They will be found on Canvas.

Grades will be based off of evaluations and assignments. Participation is also very important.

Evaluations

It is important to remember that peer tutoring is a privilege. At midterm and end of the quarter, evaluations will be completed by Miss Williams. The evaluations will be reviewed with the peer tutor. If the evaluation is unsatisfactory, it may result in removal from the class. Follow the rules, be engaged, participate and stay off of your phone and you will be fine.

POLICY FOR ABSENCES

Due to the nature of this class, it is important that you are in class. The teachers and students both count on you being in class. Peer tutors are allowed 3 free absences. Any absences over 3 will need to be made up. **This will be much more flexible due to COVID.

Teacher and Assistants

Teacher: Miss Williams

Assistants: Angela
Kim

**It is important that any questions about students are directed to Miss Williams. My assistants are legally not allowed to give out certain information.

electronic devices

Electronic devices should be kept in lockers or pockets. Devices should not be out during class. The purpose of this class is to be engaged and helping the students, not on your phone.

First offense: Student will turn the phone into the teacher until the end of class.

Second offense: Student will turn the phone into the teacher until the end of day.

Third offense: Phone will be turned into office and parents will have to pick up the device from the office.

donations

There are no materials required for this class, however I have attached a list of items we need in our classroom. Absolutely not necessary. Thank you!
